

# RECITAL INFO

Recitals are a wonderful way for students to showcase the results of their classes and for family and friends to join in the pride of their achievement. We love giving all students the chance to perform for their family and friends in this supportive and fun environment and encourage even our youngest and newest performers to be involved.

*It is very important that students do not miss any of their scheduled classes between now and recital time so they can spend their rehearsal time together to perform their routines, feel confident and be comfortable on stage.*

*Please make sure any unpaid recital fee, tuition, or costume fees are paid before getting to the auditorium, excluding APA Dance Company, unless arrangements have been made.*

# RECITAL DAY

**Show 1- 11:00 am arrive by 10:30**

**Show 2- 2:00 pm arrive by 1:30**

On the day of the show arrive no later than your posted time ready for your first dance. The order of dances will be posted on your dressing room wall during rehearsals. Students are to remain in their dressing room as not to miss their call to stage, this seems to happen every so often, and it can be very upsetting for a dancer to miss their big moment on stage.

Students will be supervised through the duration. Students cannot leave the premises without a parent or guardian. If someone else is picking your child up, please let us know. If your child has any Medical Conditions that may require attention while in our care, please remind us of that as well.

Please try not to bring anything valuable; our studio and the venue will take no responsibility if an item is damaged, misplaced, lost or stolen.

All costume, shoes and clothing items should be clearly labeled. Students with several dances are encouraged to bring a clothes basket/hamper with their name as it's an easy way to keep up with belongings. Our volunteers do not know all the performers names so if you want to add a picture to their bag or basket this makes it easier for them to be able to find your child's belongings.

### Shoes and Tights

Ballet: pink ballet shoes.

Tap: black shoes. Mini tap will be provided a ribbon to match their tap costume.

Jazz, Hip Hop, Musical theatre: tan jazz shoes.

Tan tights are required for everyone, If you need tights they can be purchased at the front desk.

### Hair

A secure bun on top of the head and neatly slicked with gel and/or hairspray (no flyaway bits or bangs please) It can block the dancers face. There are a lot of tutorials online about how to do an easy bun. APA Company hair might be different; your teacher will let you know.

### Makeup

Make up is not required, but can be a fun part of a performance, and looks good under harsh stage lighting.

Make-up: foundation if needed, pinkish blush, brown/neutral eyeshadow, mascara or false lashes, eyeliner for the older dancers, and reddish-brown lipstick shows up best under stage lights.

# REHEARSAL

## Tech:

It's the days where everything that can go wrong WILL probably go wrong! It's an opportunity to see what does and doesn't work and to make changes and adjustments before show time.

Stage rehearsals are an important part of preparing for our recital. It gives us a chance to make any adjustments and ensure that everyone has time to get ready between their dances. Even more importantly, it gives the stars of our show a chance to get up and rehearse on the big stage – a very different environment than they are used to within the studio walls.
